GETA Sandals: Knowing Where You Walk To

Shun-yuan Yeh, Keng-hao Chang,
Chon-in Wu, Okuda Kenji, Hao-hua Chu
National Taiwan University

This is one small **step** for a man,
one giant leap for mankind.

All things gone must leave **footprints**
in the sand of time somehow.

Every single step is essential.

No one walks without footprints.

GETA Sandals tracks wherever you go
by every single step.
