

CS160 Discussion Section

Matthew Kam
Mar 17, 2003

Witty Exchange (Midterm)

1. Professor: "Q6. Why is recognition preferred over recall? [3 points]"
2. Student: "Why isn't this test multiple choice? 😊"
3. Professor: "Because it's testing what you know, not helping you fill out the answers... i.e. you're supposed to have recall."

Administrivia

- Midterms to be handed back on Wed
- 1st project presentations likely to be brought forward, i.e. right after Spring Break
 - No need to turn in presentation this Wed
- Example write-ups for interactive prototype #1 assignment to be announced in lecture
